

1975 930 Turbo Carrera

First year of the famous Widow Maker!

Celebrating the 50th anniversary in 2025, this example will soon join, it's matching, turbo 50!

One of very few silver cars built with the interior that honors Louis Piech's, turbo #1, with the McLaughlin tartan interior. This vehicle remains original with only a respray of the exterior. Only 284 R.O.W. cars were built in 1975 for homologation purpose as required for Porsche's racing compliance. 32 vehicles were finished in Porsche's flagship color of Silver.

All preservation efforts of this Rare example are performed by Carolina Coach Crafters, NC.
